FREQUENTLY ASKED QUESTIONS

1. Do I have to buy AmCredit in order to have my AmBook function?

No. When you purchase an AmBook, you receive the appropriate number of AmCredits, at no additional charge, for the number of chapters included in the AmBook.

2. Why sell AmCredits?

For example, if you buy a 9 Chapter 1st US Edition and later want to unlock 3 additional chapters to get a full Science 1st US Edition, then you buy three AmCredits. **You don't have to purchase another AmBook.**

3. Will chapters always cost 1 AmCredit?

The current chapters will cost only 1 AmCredit; however, as more chapters are produced, some may have more content than others and require more AmCredits.
